COMPANY PROFILE

Skills Development Solutions with Prosperity in Mind

COMPANY OVERVIEW

PHAMBILI UKUCHUMA (Pty) Ltd was established in 2015 as a training facilitation company. PU was formed to address the shortage of training provision, in conjunction with consulting, in order to achieve the maximum benefit for a company with training requirements.

In conjunction with our sister company, HL Business Consultants (Pty) Ltd (Level 4 B-BBEE contributor), we ensure our clients enjoy the maximum benefits for:

- B-BBEE
- Employment Equity
- Workplace Skills Plan
- Procurement
- Occupational Health & Safety

Our objective is to formulate a holistic solution for the company to ultimately benefit from, and to ensure execution of such a plan under expert supervision.

VISION & MISSION

Our vision is to provide high quality, affordable and value adding service to our clients and to be recognised as leaders in the Skills Development industry.

Our mission is to provide holistic and sustainable skills development solutions to ultimately benefit our clients in the short and long term.

SCOPE

Through established relationships with multiple SETA accredited training providers across the country, we are able to provide affordable training across all sectors and industries countrywide. Such training includes credit bearing as well as non-credit bearing courses.
